# BE ON THE SAFE SIDE AND GET A SLOPE RESCUE CARD!

Take advantage of a guaranteed rescue service for only € 3.– per day.

You can obtain a Slope Rescue Card when buying your skipass at our skipass desks. It is also possible to obtain a Slope Rescue Card if you have already bought your ski pass (but not after the accident has occurred). The term of insurance is equal to the period of validity of the skipass (it is not possible to extend it).

The Slope Rescue Card includes the following: Rescue service and first aid is free for injured persons within the entire secured Obergurgl-Hochgurgl Ski Area and Sölden Ski Area as well as the transport depending on the injury's gravity – either by akja sled, ski doo, rescue bubble or rescue helicopter – to the Red Cross base or the rescue helicopter. Costs arising from an Alpine rescue operation by helicopter are covered by the Slope Rescue Card subsidiarily and only in case there is no

other valid, already existing rescue insurance which takes over the rescue costs for the injured person. Please note that costs arising from ambulance transports made by the Austrian Red Cross and helicopter rescues are not included and must be paid separately. Without a Slope Rescue Card the injured person must cover all costs arising from first aid, rescue operation and transport. More detailed information available at the official skipass offices.
